Indiana Department of Education
SUPPORTING STUDENT SUCCESS

Overview

The ISTEP + Parent Network, available at **www.inparentnetwork**, is an online system that provides parents and guardians with secure access to their student's ISTEP+ scores and released Applied Skills images. With the ISTEP+ Parent Network, families are able to quickly and easily review their student's assessment results and access useful Indiana educational resources.

The ISTEP+ Parent Network is available 24/7 to help families:
- Access student ISTEP+ results using secure usernames and passwords. *(Student data are secured via 128-bit encryption, the industry standard used by banks and e-commerce sites.)*
- Connect to useful education resources.
- Locate answers to frequently asked questions.
- Stay involved with their student's learning and progress.

The Indiana Department of Education provides the ISTEP+ Parent Network as an additional level of communication to ensure that parents and guardians are informed about student progress and have resources at their fingertips to support learning and achievement.

Frequently Asked Questions

How do I access the ISTEP+ Parent Network?
You should receive a letter from your student's school containing your ISTEP+ Parent Network login information. Visit **www.inparentnetwork.com** and enter your login information to access your student's score report and related resources. If you did not receive a letter or have misplaced your invitation code, please contact your student's school.

When will my student's results be available online?
Current results are available online now.

What if I have a question about my student's scores?
If you have questions about your student's scores and classroom performance, please contact your student's school to discuss them.

What if I have a question about the Parent Network?
For questions regarding the Parent Network, contact The Grow Network by calling 800-481-GROW (4769) or via e-mail at support@grow.net.

What Web browser software do I need in order to use the Web site?
The site has been designed to work with most Web browsers. For best results, we recommend you always use the latest version of your browser.

If you have problems viewing our site on Internet Explorer, we highly recommend that you try upgrading to the most recent version of Internet Explorer. Click on www.microsoft.com/windows/IE/ to download the latest version of Internet Explorer.

I don't have a computer at home, and my work computer isn't available for personal use. Where can I go to use a public access computer?
You may access your student's online ISTEP+ reports via designated computers at a local school or a public library branch.
